SHERIDAN COMMUNITY SCHOOL CORPORATION NON-DISCRIMINATION POLICY

The Sheridan Community School Corporation does not discriminate on the basis of religion, race, color, national origin, gender, disability or age in its programs, activities or employment. Further, it is the policy of this Corporation to provide an equal opportunity for all students to learn through the curriculum offered in this Corporation regardless of race, color, creed, disability, religion, sex, ancestry, age, national origin, place of residence within the boundaries of the Corporation, gender identity, sexual orientation, or social or economic background.

If any person believes that the Sheridan Community School Corporation or any of the Corporation's staff has inadequately applied the principles and/or regulations of (1) Title VI of the Civil rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, and/or (3) Section 504 of the Rehabilitation Act of 1973, he or she may bring forward a complaint to: Sheridan Community Schools Civil Rights Coordinator/ Human Resource Specialist, Sheridan Community School Corporation, 24795 N Hinesley Road; Sheridan, IN 46069; or email hr@sheridan.k12.in.us

DUE PROCESS

Due process is guaranteed to individuals by the Fourteenth Amendment to the Constitution. Due process in education implies:

- that rules and regulations of schools are published and distributed;
- that students know and understand these rules and regulations;
- that when a student is believed to have violated a rule or regulation, he or she is presented with this belief and given the opportunity to respond to the accusation;
- that when rules or regulations are violated, certain consequences will occur,
- and that if expulsion or exclusion from school is a recommended consequence and if the student or the student's Parent / Guardian wishes, a hearing must be held. A Parent / Guardian or student dissatisfied with an expulsion decision may seek judicial review of that decision in accordance with I.C. 20-33-8-21.

DIRECTORY INFORMATION

Each year the Superintendent shall provide public notice to students and their Parent / Guardian of its intent to make available, upon request, certain information known as "directory information". The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; diploma choice; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards

received; listing on an honor roll; or scholarships.

PARENT / GUARDIAN-SCHOOL PARTNERSHIP

The role of Parent / Guardian in partnership with the school is critical for the overall success of the student. Parent / Guardian requiring proper school attendance, maintaining open lines of communication, monitoring student academic progress, and supporting extracurricular participation are foundational roles in the Parent / Guardian-School Partnership.

Sheridan Community Schools actively encourage Parent / Guardian to talk with their children's teachers, counselors, and administrators as a key component of the Parent / Guardian-School Partnership. Through these conversations, students can often develop better attendance, academic performance, study habits, test-taking strategies, and behavior.

Suggested actions to help develop the Parent / Guardian-School Partnership:

- Sign up for PowerSchool* access and notification to monitor performance and grades.
- Sign up for Canvas* Parent / Guardian access to monitor class activities and assignments.
- Talk with your child about school, classes, assignments, etc.
- Pay attention to your child's schedule and progress toward graduation.
- Ensure your child is in attendance each day and promptly report with explanation any absence or tardiness.
- Bring to the school's attention any problem or condition that might affect your student's overall achievement and behavior.
- Maintain up-to-date home, work and emergency phone numbers with the school.
- Contact the teacher first, counselor, or administration regarding any concerns, questions or problems.

* Parent / Guardian and student access to PowerSchool & Canvas

- Parent / Guardian will be given the website and proper codes to access student scores from our technology director at the beginning of the school year. If there are questions regarding this procedure, please contact the office. Access can also be accomplished on the schools' website at: www.scs.k12.in.us/shs
- Teachers will update student grade books on a regular basis, approximately every five days. Although there may be exceptions to this guideline as different projects and assignments may take longer to assess and provide student feedback.

PARENT / GUARDIAN RIGHT TO INSPECT MATERIALS -P.L. 204-1995, HEA 1625

This law gives a Parent / Guardian or student the right to inspect instructional materials in connection with a personal analysis, an evaluation, or a survey that is not directly a part of the academic instruction. Instructional materials include teachers' manuals, student texts, films, video materials, tapes, or other materials. This law also requires that a student without prior written consent of a Parent / Guardian cannot be required to participate in a personal analysis, a survey, or an evaluation that is not part of the academic instruction if one of the above reveals or attempts to affect the student's attitudes, habits, traits, opinions, beliefs, or feelings concerning enumerated items.

The Family Educational Rights and Privacy Act (FERPA) afford Parent / Guardian and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education record within 45 days of the day the School Corporation receives a request for access. Parent / Guardian or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the Parent / Guardian or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the Parent / Guardian or eligible student believes is inaccurate or misleading. Parent / Guardian or eligible students may ask Sheridan Community School Corporation to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the School Corporation decides not to amend the record as requested by the Parent / Guardian or eligible student, the School Corporation will notify the Parent / Guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Additional information regarding the hearing procedures will be provided to the Parent / Guardian or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the School Corporation as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School Corporation has contracted to perform a special task (such as an attorney, auditor medical consultant, or therapist); or a Parent / Guardian or student serving on an office committee, such as a disciplinary or grievance committee, or assisting another

school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School Corporation discloses educational record without consent to officials of another School Corporation in which student seeks or intends to enroll. **(NOTE: FERPA requires a school corporation to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.)**

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School Corporation to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U. S. Department of Education
600 Independence Avenue, S. W.
Washington, D. C. 20202-4605

ATTENDANCE

Indiana Statutes I.C. 20-33-2-6 requires every child between the ages of 7 and 18 to attend school except for certain specific exemptions as found in I.C. 20-33-2.9 and 20-33-2-14 through 20-33-2-17.7.

ABSENCES may be considered **excused** or **unexcused**. Any absence that results in a student not attending at least 180 days in a school year must be in accordance with SCS Policy 5200 to qualify for an excused absence. An excused absence allows a student to make up work without penalty while an unexcused absence may not allow work to be made up.

Parent / Guardian should contact the school prior to 10:00 a.m. for each day their child will be absent. When contacting the office to report an absence, please state the reason for the absence. Additionally, written notification upon return is advised and helpful to substantiate the absence. If Parent / Guardian do not properly contact the school to excuse a student absence, the absence will count as unexcused or possibly as truant. Any absence due to a medical or dental appointment should be verified by a note from the medical or dental office verifying the time of the appointment and stating any necessary information.

Sheridan High School has a **closed campus**. Students are not permitted to leave school grounds, regardless of age, without permission of the administration. If it is necessary for a **student to leave during the school day** for an appointment, a phone call from a Parent / Guardian must be received prior to the student signing out. Students are not permitted to leave at lunch for the purpose of eating lunch off campus or bringing outside food back to campus. The student must **SIGN-OUT** in the office and **SIGN-IN** again when returning to school in order for accurate maintenance of attendance records. An unexcused absence/truancy will be recorded in the attendance records for students failing to sign in and out at the office and will be subject to disciplinary consequences.

Students are required to attend each scheduled class and are not to leave the school building at any time during the school day without permission. If a student becomes ill or is injured during the school day, they must be evaluated by the school nurse or administration. If treatment fails to relieve the issue, the nurse or administrator will contact the Parent / Guardian and ask for the student to be picked up or allowed to go home. Any student who contacts Parent / Guardian or leaves school due to illness, without above permission, will be counted as unexcused for the periods missed. Students must obtain permission from administration or office personnel to go out to the parking lot. Students who leave school without “prior” permission and are in the parking lot or leave in a car will be considered truant and face appropriate disciplinary action

A student arriving to school after the start of the school day must obtain an admit pass to class from the office. Students arriving to school more than 20 minutes late to any class, without an excused pass, are considered absent. Students must wait in the office for the bell to dismiss to the next class period.

A mandatory Attendance Team meeting will take place for students who have been absent 8 or more days from class.

- **Students who are absent more than 8 days, or 8 times from any class, in a semester, may earn a withdraw/fail (W/F) grade in that class and not earn a credit.**

- Students who forfeit credits in three or more classes may be recommended for the alternative learning program to complete semester credits. If this occurs, the student will earn W/F grades in all classes and will be enrolled into “Credit Recovery Courses” within the alternative learning program placement. If chronic absenteeism continues, student may be recommended for expulsion.

Note: Parent / Guardian of students who miss 8 days of school due to medical reasons will be required to fill out a STUDENT INCAPACITY FORM. This document must be signed by the Parent / Guardian along with the student’s physician and explain how much/often the student will miss school and when he/she will be expected to return

Funerals and signed doctor’s notes showing the exact dates to be covered for an absence along with unforeseen emergencies approved by the Principal are examples of absences which would not count toward the 8-day limit. Appointment cards are **NOT** acceptable excuses. Except for emergency situations, phone calls/notes for appointments must be received prior to the start of school on the day of the appointment

Note: Verification of a Medical/Dental Appointment(s) will be accepted up to 5 days after the student returns to school.

SHS Activities Attendance Policy

Students must be recorded as “present” or “excused absent” by the attendance secretary to practice, compete, or perform that day. Furthermore, any student having an unexcused absence shall not be eligible to participate in a practice, contest or performance until he/she has been recorded as ‘present’ for a full day of classes. Once they are present for a full day of classes, eligibility will be reinstated.

1. Students must arrive at school prior to the start of 2nd period to be counted ‘present’ for that day. Students arriving after the start of 2nd period will not be eligible to participate in a contest/performance/practice for that day.
2. Students assigned to ISS may not participate in or attend athletic/extracurricular activities during the day(s) they are in ISS (including for tardies).
3. Students who leave during the school day will be ineligible for that day, unless:
 - a) their absence is ‘excused’ by the attendance secretary, or
 - b) they obtain permission from the principal or athletic director before leaving.

Examples of a ‘excused absence’ would include documented instances of a medical appointment [Doctor, Dentist, Physical Therapy, etc.], funeral, drivers test, or college visits. Other family emergencies could be considered ‘verified’ with the approval of the administration or Athletic Director. The attendance office should be notified of your absence prior to missing school and documentation to verify the absence should be

submitted to the attendance office upon return. Documentation must be received before the student is eligible to participate in athletics or activities that day.

Make-Up Work and all missed homework due to an absence must be arranged by the student with the teacher within one day after the student returns to school in order to receive full credit. Parent / Guardian of students requesting make-up work should give notice of a minimum of one (1) school day for faculty to turn in assignments to the office secretary. Out of school suspension work receives full (100%) credit, when turned in on time, while unexcused absence of truancy cases will receive no credit.

FINAL EXAMS

Final Exams are weighted 10% of a student's overall grade in each course. During Final Exams, students:

1. must have all requests for early finals approved by the principal or designee at least 2 weeks prior to the exam date.
2. will not be allowed to sign out (without prior approved, excused absence) during an assigned final exam period without forfeiting credit for that final.

Failure to comply with attendance policies may result in detention, suspension, removal from class, alternative learning program placement, suspension of driving privileges, and/or recommendation for expulsion.

ATTENDING CLASS EQUALS SUCCESS (ACES)

Sheridan Community Schools, the Hamilton County Schools Attendance Project, and the Hamilton County Prosecutor's Office have worked together on a program in an effort to improve school attendance; ACES (Attending Class Equals Success) is a result of this collaborative effort. With the school, Parent / Guardian, student, and prosecutor's office working together through early intervention and collaboration, we believe attending class will equal success for each and every student.

The ACES attendance warning and intervention process follows. When a student...

- accumulates 6 absences in a semester (with no doctor's notes or other approved absences per SCS Policy 5200), a meeting with the student and an administrator will occur. A warning will be issued and a letter sent home to Parent / Guardian.
- reaches 8 absences in a semester (with no doctor's notes or other approved absences per SCS Policy 5200), a referral will be submitted to the Project ACES program.
- accumulates more than 8 absences in a semester (with no doctor's notes or other approved absences per SCS Policy 5200), the administration will notify the

Hamilton County Prosecutor's office and may place student in an Alternative Learning Placement.

- continues to accumulate absences following the assignment to HCOSS, a truancy report will be filed with the Hamilton County Prosecutor's office. Depending on the circumstances and age of the student, an administrator will file a report with Department of Child Services for educational neglect.

For those students who are under 18 years of age, three unexcused truantries may merit a notification being sent to the Bureau of Motor Vehicles for driver's license invalidation or prohibiting the student from obtaining a learner's permit.

TARDINESS

Students are expected to be on time to school and each class period. Punctuality is a life skill and minimizes disruption to the learning environment. Students late to school must report to the office and sign in to obtain a pass. The tardy policy at Sheridan High School is documented by the semester. The disciplinary actions for tardiness are as follows:

- 3rd Class Tardy – verbal warning by the teacher
- 4th Class Tardy – office referral and 1 period of detention
- 5th Class Tardy – office referral and 2 periods of detention
- 6th Class Tardy – office referral and 3 periods of detention
- 7th Class Tardy – office referral and 1 day of In School Suspension
- Subsequent Class Tardies will result in additional disciplinary action which may include ISS, OSS, or removal from class.

In addition to the Class Tardy Policy, students will also be held accountable for excessive Cumulative Tardiness. Excessive cumulative tardiness is defined as having 15 or more combined tardies in a semester. Excessive tardiness will result in additional disciplinary action which may include additional detentions, ISS, OSS, removal from classes and/or recommendation for expulsion as a habitual offender.

STUDENT DRESS GUIDELINES

Because of the seemingly unlimited variety of student dress styles, it is nearly impossible to write rules to cover every possible dress situation. The expectation is for all students to manage their appearance in a manner which is appropriate for a school setting.

Student dress should not promote vulgarity, advertise illegal substances (drugs, alcohol, and tobacco), or express double meanings. Just as later on in life there are many jobs and social functions that dictate appropriate dress, there is an appropriate way to dress for school, and there are things that are considered inappropriate. Only those clothing items/accessories deemed appropriate by the principal or designee will be allowed to be worn at school or at school related activities. The school, through the principal or designee,

reserves the right to make the final judgment as to the appropriateness of the apparel and has the right to ask a student that a specific item(s) be removed or not worn again at school or school related functions.

In addition to what was previously stated above, the following will provide guidance with regard to appropriate school attire for all students:

- No apparel or accessories are permitted that advertise or promote tobacco, alcohol, or drugs of any nature.
- Apparel which represents or signifies gang identification or symbolizes hate groups in any way is not permitted.
- Sunglasses, hats and hoods are not to be worn in the school building.
- Shorts, skirts, and dresses should be of a reasonable length. As guidance, the lengths should be in the range of what would be considered mid-thigh, fingertip length, or 6-8 inches above the knee. This includes holes in jeans/shorts.
- Shoes or proper footwear should be worn at all times.
- No shirts or pants that are exceptionally revealing are permitted. This would include sagging pants, attire that exposes the midriff, tops with a low, revealing neckline, and/or clothing which allows undergarments to be seen.
- Blankets are not to be used/carried at school.
- Stuffed animals are not to be carried at school.
- Costumes or costume attire is prohibited during school unless preapproval is given from school administration (such as special occasions and dress-up days).

NOTE: Violation of SHS Dress guidelines may result in disciplinary action up to and including suspension or expulsion from school.

STUDENT DRIVERS AND PARKING

Driving is a privilege not a right. Any student found in non-compliance with the Student Code of Conduct is subject to losing his/her driving privilege. Student drivers must register their vehicle and obtain a parking permit through the HS office. At the time of application, the student must present the following items for registration:

1. Current vehicle registration
2. Valid Indiana driver's license
3. Vehicle's license number & description

Once the student has registered, the form must be endorsed by the Parent / Guardian and returned to the office where the form will remain on file. A parking permit will be issued to the student and must be displayed properly in the vehicle. Failure to comply with this request will result in disciplinary action.

Sheridan High School provides parking facilities to be used for the convenience of

students and for the security of student operated vehicles. The fact that the school makes parking spaces available for student use does not diminish the school's sole ownership, control, and authority over the parking facilities. The use of a parking space is a privilege granted by the school. Failure to comply with conditions and rules may lead to revocation of the privilege of using the parking space and possible suspension or expulsion from high school.

The school reserves the right to examine student vehicles and contents for the purposes of eliminating fire or other hazards, maintaining sanitary condition, attempting to locate lost or stolen articles, and locating prohibited or dangerous materials, including but not limited to narcotics or other contraband.

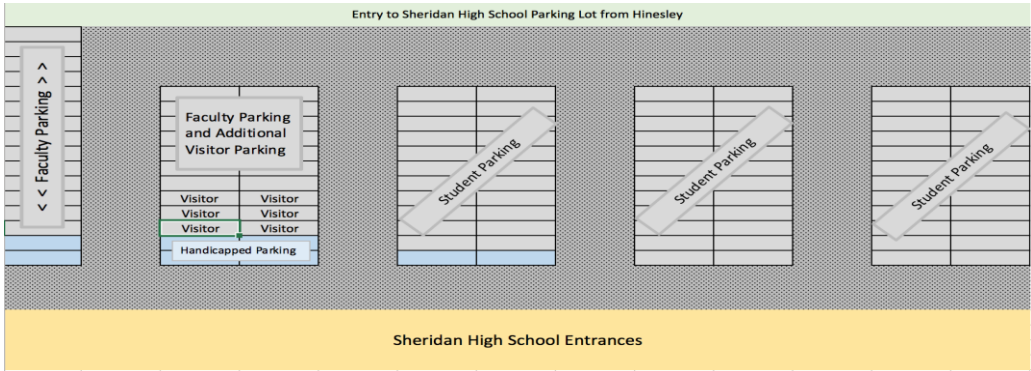

All student drivers must adhere to all Indiana state rules and laws for operating a motor vehicle. This includes all passengers wearing their seat belts. Texting while driving is prohibited.

Please Note:

1. The possession, use, sale or transportation of drugs (including alcohol), or any item that may be deemed a weapon while on school ground is prohibited and will result in the loss of driving privileges for the school year. The school and the State of Indiana may administer additional or other penalties for these infractions.
2. Reckless driving will not be tolerated and may result in the loss of driving privileges.
3. The student, and or the Parent / Guardian, is liable for accidents or damage caused by the driver on school grounds.
4. Smoking or vaping on school grounds, including in the parking lot, can result in the loss of driving privileges for a time period up to the school year, as well as consequences related to SCS tobacco policy.
5. The student driver should not drive through the bus loading zones and buses always have the right-of-way.
6. Park only in designated student parking areas, within specified parking spaces; if not, driving privileges may be revoked.
7. Students are not permitted in the parking lot during the school day without permission from the administration or their designee.
8. Forged Parent / Guardian permission, any fraudulent attempt to deceive, or any misrepresentation on the registration may result in suspension of all driving privileges for up to one year.
9. The parking lot has a 15 mph speed limit – please drive safely.
10. No parking in designated fire lanes at any time.

**Student driving privileges may be suspended for violation of driving or parking guidelines.

STUDENT DROP-OFF/PICK-UP

Parent / Guardian who plan to bring and/or pick-up their student(s) to and from school (both Sheridan High School and Sheridan Middle School) are asked to use the access drive at the south end of Sheridan High School. Students may be dropped off next to the curb and enter the building at the southeast doors in the morning. Parent / Guardian picking up students in the afternoon at dismissal may park along the curb and their students will exit the southeast doors.

*** This may change based on possible re-routing of bus and parent transportation.*

Announcements: Students desiring to have announcements made over the intercom should arrange to have them written and approved by the administration. Announcements are available for all teachers through student management system at the beginning of the school day.

Backpacks: May be used in the high school as long as they are not a disruption.

Bicycles: Students may ride a bike to school and should be parked in a school bike rack and locked. They are not to be ridden by other students and are not to be ridden during the school day.

Celebrations and parties are for after school hours and **food and drink should not to be in the classrooms unless part of the curriculum and/or for educational purposes.**

Electronic Devices/Cell Phones: These items create a huge disruption to the learning environment and are not to be in use at any time during class, unless specifically permitted by the teacher. These items may be used during lunch time in the cafeteria and during passing periods between classes. If a student is caught using an electronic device during class time without approval from the teacher and refuses to give it to the teacher, the student will be considered insubordinate and face disciplinary consequences. Furthermore, unsolicited pictures or videos of other students or school personnel are not permitted and will be subject to disciplinary action. Examples would include recording a fight or taking video of a teacher without approval. Taking pictures or video in a restroom or locker room is strictly prohibited and disciplinary action will be taken.

Disciplinary Action is dependent upon the severity of the violation including, but not limited to: Confiscation of the device for the day or until Parent / Guardian pickup, detention(s), ISS, OSS, Expulsion, and law enforcement involvement.

NOTE: Sending, sharing, viewing, or possessing pictures, text message, emails or other material of a sexual nature in electronic or any other form, including the contents of a cell phone or other electronic device may be considered as grounds for suspension or expulsion and result in notifying law enforcement.

Important Notice to students and Parent / Guardian regarding Cell Phone Content and Display:

- The Child Abuse/Neglect law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.

- It is “child exploitation,” a Class C felony under IC 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes: sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography” a Class D felony under IC 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” (as defined by IC 35-42-4-4(a), by a child who the person knows is less than 16 years of age or who appears less than age 16.
- The Indiana Sex Offender Registration Statute at IC 11-8—8-7 and the Sex Offender Registry Offense Statute at IC 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at IC 35-42-4-4(b) to register as a sex offender.
- Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for Parent / Guardian and students to be aware of the legal consequences should this occur in our school system.

EXTRA-CURRICULAR & CO-CURRICULAR ACTIVITIES: We feel that extra-curricular activities are an integral part of the total education process at Sheridan High School. It is for this reason that Sheridan provides a complete activities program consisting of athletics, clubs, and organizations, both credit and non-credit. Sheridan High School is proud of the leadership of its students and the high code of behavior and leadership they have established in the area of extra-curricular activities. Sheridan strongly encourages every student to strive to participate in extra-curricular activities. It is important that students in all extra-curricular activities display qualities of good citizenship. **A student in the extra-curricular program who engages in activities that violate this principle, whether on school premises, or off, during, before, or after school hours, or during vacation periods, including summer vacation, will be removed from participation in the extra-curricular program if the building Principal determines that the student's behavior warrants such action.** Action which may result in removal includes violation of any State law or any school rule (which could lead to suspension or expulsion) included in this handbook. Attendance problems may also result in being declared ineligible for extra-curricular participation.

The following are activity groups and/or organizations which are offered by Sheridan High School:

Parent / Guardian Teacher Conferences: Parents / Guardians are encouraged to schedule appointments and communicate with teachers throughout the school year as needed.

Computer/Technology: The purpose of technology at Sheridan Community Schools is to support curriculum objectives by providing on-line multimedia access to educational and research tools. For students to remain eligible to use technology their usage must be in support with the educational objectives of Sheridan Community Schools. **Users must have a signed Student Computing and Internet Use Agreement on file before a student account is assigned to them.** Users should not expect that their files and Internet access on school-based computers are private property or private information. They will be treated as lockers and may be reviewed by faculty and administrators. **Any violation of the Student Computing and Internet Use Policy will be deemed a disruption of school and may result in loss of computer/technology privileges, detention, suspension, and/or expulsion.**

Convocations, Assemblies, and Athletic Events

Proper student behavior and respect for guests at such events is expected. Students who behave inappropriately will be removed from the event and may be removed from future events depending upon their actions. Additional disciplinary action may be administered. During athletic events a positive and supportive Blackhawk school spirit is required. Harassing opposing athletes, fans, or officials is not permitted. Parent / Guardian should pick up students immediately following an activity if it is outside school hours.

Dances/Prom: All regular rules for student behavior will apply and are the same as those for other school activities. Dances are planned and chaperoned by both adult and student organizations. Prom - Junior and Senior Sheridan High School students are eligible to attend this memorable event and may invite a guest; however, any student who is not enrolled at Sheridan High School must submit a guest application to the principal for approval in order to be able to attend. The class is prohibited from spending more than the balance in the class treasury as of April 1st of the year the prom is held. All school rules apply. No middle school students are allowed at this activity. No guest age 21 or over is permitted at Sheridan HS dances.

Emergency Closings and Delays of school due to weather problems are communicated to families via the School Messenger system, posted to social media and the school website. **Updated contact information for parents/guardians is important to get the most up-to-date information.**

Lost and Found: Any lost item may have been turned into the office. These items may be claimed with proper identification. Note: At least twice a year, items which have not been claimed for at least six weeks will be donated to a local agency.

Lockers are assigned to every student in the high school and remain the property of the school. It is a student's responsibility to secure all personal items. Students should not share lockers with other students. Keep lockers closed and clean. Please report any problems to the office including any maintenance concerns. Lockers may be inspected at any time by the administration. **Damaging or defacing lockers will result in disciplinary action.** Each locker must be cleaned and inspected at the end of the school year.

Public Display of Affection (PDA): In a school setting, holding hands is the only kind of public affection. Kissing, hugging, and embracing may result in disciplinary action such as warning, Parent / Guardian notification, and detention and/or a behavior intervention meeting.

Report Cards: The school year is divided into (2) two semesters with two grading periods of approximately 9 weeks each. Report cards will be issued to students no later than Friday following the end of each grading period. Midterm reports will be available midway into each quarter indicating educational, behavioral, and/or attendance areas where student improvement is needed.

Security Cameras have been installed in the buildings and parking lots. The system will be proactive in preventing both thefts and vandalism.

Student Council: The student council has a highly active role in student activities and student government. Its purpose is not to govern the students but to serve as a meeting place between the student body and administration, where the students can assume as much of the responsibility of organizing their high school activities as they are able to handle. It is a place where problems or questions arising from either the students or the administration can be presented for discussion and consideration.

Student Accidental Insurance is available for all students in Sheridan Community Schools. The information is posted www.scs.k12.in.us/high/ under the HEALTH SERVICES tab.

Student Helpers: To be a student helper is both an honor and a privilege. Student helper time coincides with that particular student's study hall period. These students assist staff members with office work, clerical duties, errands, answering telephones, delivering passes, recording inventories, etc. Student helpers must be students in good standing. Students who have received disciplinary actions or received a failing grade in any class during the previous semester and/or nine week grading period will not be permitted to work as student helpers.

Study Hall: Students may choose to enroll in one study hall each semester. This time is designed to help students with their academic achievement. Students should adhere to the following rules and guidelines:

- Students should bring all books and materials to study hall and/or a self-selected book to read (students will not be dismissed to go to their locker) as ***the purpose of study hall is to study***. **Students are to bring something to read, a pen or pencil, and paper and be prepared every day to study.**
- Students are to be quiet unless they have permission to work in small groups on academic work.
- Sleeping during study hall is not permitted.
- Students may request to go to the library; however, this is on a limited basis. If they are not working in the library, they will lose this privilege;
- If a student needs to be with a teacher or be in another class, they must plan accordingly and have a pass from that teacher prior to arriving in study hall.
- Seats will be assigned by the study hall monitor/teacher.
- Restroom privileges will be limited and at the discretion of the study hall monitor/teacher.
- Other rules may be established by the study hall monitor/teacher and/or administration.

Telephones: Telephones are placed in the school office for school business. Students are not to make or receive social calls over the school phones. Messages will be received and students will be called to the phone in case of an emergency. Students **are not** to use school phones during the school day without permission. No long-distance telephone calls shall be made on the school telephone without previous approval of the building principal.

Vacations: Although **vacations** taken during the school year are discouraged, Sheridan Community Schools realizes that (1) circumstances sometimes require such arrangements, and (2) travel does have educational benefits. The principal or designee should be aware of a vacation request at least two weeks prior to the departure date. In most cases, days missed count towards the eight (8) day attendance/credit limit. Assignments may be made up at the rate of one day make-up for each vacation day. In some situations, the vacation may be able to be counted as an educational activity if the student receives administrative approval to complete an assignment linked to one or more Indiana Academic Standard(s).

Visitors: All visitors must complete the Safe Visitor process. Only visitors with an **education-related reason and prior approval by building administration**, will be permitted to visit classrooms. Permission must be granted by the student's teachers and administration at least two days in advance. The visitor must also have a preliminary conference with administration before the beginning of the school day. Pre-school children are not allowed. No visitors will be permitted before vacations or during final exam weeks. **All** visitors must report to the main office to sign-in. Visitors, excluding recent alumni with administrative approval, are not permitted to visit or eat in the cafeteria.

Volunteers: All volunteers must complete the Safe Visitor process. **Volunteers** are integral in offering a curriculum filled with a variety of experiences for our students such as classroom assistance, field trips, chaperoning, and event planning. We always appreciate Parent / Guardian and families willing to help in various capacities throughout the school year. Per Board Policy, the volunteer is responsible for the costs incurred for the criminal history check.

Work Permits: Schools are no longer involved in the issuance of work permits. Employers now have the responsibility to complete the online process.

Bus Transportation is furnished by the board of education, Sheridan Community Schools, which adheres to Section 905, Chapter 260, and Acts of the 1965 School Transportation Code. The driver has full authority of the bus while students are being transported. For student misconduct on the bus, a student will be referred to the office for disciplinary action up to and including suspension or expulsion from school. Habitual offenders may result in the riding privilege being revoked for the remainder of the semester.

Classroom Teachers: The classroom teacher welcomes the opportunity to confer with students not only concerning the subject matter of classroom work, but also other phases of their welfare that includes such matters as special interests, work experience, educational opportunities after high school, problems of social relations, opportunities in the armed services, and other situations. Your teachers are here to help you in any and every way they can. Take advantage of the support.

Health Clinics: The health clinics are under the supervision of a registered nurse. Students who become ill or have injuries that may require attention should report and receive treatment. No student should leave the building because of an accident or ill health without first receiving permission from the school nurse or principal. Failure to secure permission will result in an unexcused absence. Any student in the Clinic for the period will be excused, but this absence will count as one of the 8 days.

Any medication which is to be taken at school is to be administered through the office of the school nurse. Students are requested to bring medication to the nurse's station at the beginning of the school day along with a Parent / Guardian's written permission, which is required by law. In the case of nonprescription drugs, preparations, or remedies, a written authorization from the Parent / Guardian must be on file prior to administration of the treatment. These documents shall be kept on file in the office of the nurse. Only medication in its original container and, if a prescription, labeled with the date, the student's name, and exact dosage will be administered through the office of the school nurse.

Note: There is a growing trend of using essential oils to assist students with diagnosis such as anxiety, ADHD or ADD. Sheridan Community Schools will not be administering these to students while in school due to the products are not FDA approved and dosing recommendations can vary drastically. Students are not prohibited from using these oils at home provided the odors are not found to be offensive to surrounding students, disruptive to the class or found to be a trigger to other student's asthma, migraine or other health-related issues.

Media Center: All audio-visual materials and books are stored here. All students are entitled to its use unless suspended for disciplinary reasons. In addition, any student who has received a failing grade (in any class/classes) for the previous nine weeks' grading period would not be able to use the library unless he/she was issued a pass from his/her classroom teacher authorizing class-related work in the media center.

The purpose of a school media center is to supplement the academic curriculum of the school in a quiet atmosphere conducive to learning. Therefore, excessive noise and socializing are not appropriate behavior. Most books may be checked out for (2) two weeks and may be renewed. There will be a fine for damaged or lost books and/or materials. All students sent to the center must have a pass stating arrival time and intended use of the center. The number of students allowed in the library each study hall period will be determined by the librarian. Students with discipline problems will be sent back to study hall and possibly referred to the office. Study Hall students are restricted during class use of the library.

STUDENT SERVICES

GUIDANCE DEPARTMENT

Sheridan High School's guidance department devotes considerable time to discuss educational, career exploration, and personal problems with students. Students are encouraged to request an appointment when instructional time will not be interrupted. The guidance department also coordinates schedule changes and summer school enrollment.

STUDENT SCHEDULE POLICIES

All students must enroll and make a class schedule during the first (10) days of a semester and must fill out an official enrollment form in the office. Transcripts from a former school must be provided and all book rental fees paid. **All students must enroll in (6) subjects or class periods**, study halls excluded, each semester. Exceptions may include J. Everett Light Career Center students who must take five (5) subjects, students in interdisciplinary co-op program must take four (4) classes, students not meeting pre-requisites, transferring from another school during a semester, documented health problems, or disciplinary withdrawals. All class changes must be made by the guidance department. No classes may be dropped after this initial enrollment/registration process unless a disciplinary withdrawal or extenuating circumstances makes it necessary. A grade of W/F (Withdraw/Fail) counts in the GPA (Grade Point Average), a W/P (Withdraw/Pass) does not. Students may repeat a class at any time for a potentially higher grade provided it can be scheduled within the regular school schedule and space in class is available. Both grades will be counted in determining the student's GPA, but in accordance with the Indiana State Department of Education standards; credit for the class can only be awarded one time. Only classes offered and repeated at

Sheridan High School will be considered; any other exceptions must be approved by guidance and administration prior to enrolling (i.e. correspondence and/or online courses).

COURSE SELECTION PROCESS

Early in the second semester of the school year the Guidance Department meets with students to review graduation requirements and discuss course selections for the following school year. It is important for students and Parent / Guardian to give serious thought to their class selections and commit to completing these classes. The type and number of courses offered at Sheridan High School are based upon student enrollment and course selections made by students during this time.

Please note: Sheridan High School does not accept teacher requests by Parent / Guardian or students. However, a Parent / Guardian may request to not have a teacher based upon legitimate stated reasons. These reasons could include but are not limited to prior negative experience, working relationships, and personal situations or issues. Any such requests must be presented in writing to the administration by July 1st (December for second semester courses in the high school). There is no guarantee such requests will be honored as factors such as teacher availability, course/class availability, course/class enrollment will be primary factors in making the final determination.

Course verification sheets will be mailed home in June with registration materials. It is in everyone's best interest, the student, the teacher, and the counselor, to have schedules finalized before the start of school, in order to have a smooth, uninterrupted start to the school year. The Guidance Department will make adjustments to the students' course selections based on courses failed in the second semester.

COURSE CHANGE REQUEST

After course request sheets are turned in, students should not expect to change one course for another in their schedule. Changes to students' schedules will be accommodated for the following reasons: extenuating circumstances such as a medical condition, teacher recommendation, or a request to increase the academic rigor of their schedule. Examples of increasing rigor include dropping a study hall or switching to an AP class. Students must have completed a **Request for Course Change Form** turned in to the Guidance Department within the **first THREE days of the first semester and by the advertised date for the second semester (usually before finals week in December)**. The change will be considered, provided there is seat availability for the requested course. Removal from a course after the first THREE days of the semester will result in a "WF" for the course, which will appear on the student's transcript and factor into their cumulative GPA. All requests will be handled on a case by case basis.

WITHDRAWING FROM SCHOOL

Indiana Law (Senate bill 149; IC 20-33-2-9) - A student who is at least sixteen (16) years but less than eighteen (18) may **not withdraw from school** before graduation unless:

1. The student and the student's Parent / Guardian or guardian agree to the withdrawal **and**;
2. The withdrawal is due to one of the following: financial hardship and the individual must be employed to support the family and/or dependent; illness; an order by the courts.
3. At the exit interview, the student provides written acknowledgment of withdrawal and the student's Parent / Guardian or guardian provides written consent for the student to withdraw from school. Included in the written acknowledgement is a statement that the student and the student's Parent / Guardian understand that withdrawing from school is likely to reduce the student's future earnings and increase the likelihood of being unemployed in the future.

A student withdrawing from school should have a conference with administrators or counselor at least (1) day prior to leaving. An exit interview form will be discussed and signed at this meeting. All books and athletic equipment must be turned in, locker must be cleaned out and checked by office personnel, and all fees and fines paid.

Once a student has been expelled or voluntarily withdrawn from school twice he/she must earn at least (1) high school credit at another accredited school prior to re-enrolling. This includes withdrawals for attendance violations.

EARNING HIGH SCHOOL CREDITS

In order to graduate from Sheridan High School, a student will need a minimum of **forty-two (42) credits** of high school work as required by the state of Indiana. **A Core 40 Diploma is required for ALL students. The Core 40 diploma is a minimum requirement to gain admission to a four-year college or university in the state of Indiana. Students must attend a minimum of seven (7) semesters.**

High school students are members of a cohort group based on expected graduation year when they enroll at Sheridan High School. Required courses that are failed will be repeated the following year and will replace an elective course. Failing classes will put a student's athletic eligibility and on-time graduation in jeopardy.

J. EVERETT LIGHT CAREER CENTER

The J. Everett Light Career Center is located in Washington Township, Marion County, and is an extension of the curriculum with over (20) twenty curricular areas. Students apply in the spring of the sophomore or junior year and attend during the junior and/or senior years. Sheridan Community Schools and JELCC have a reciprocal agreement concerning course credits, student expectations, and disciplinary issues. Disciplinary action at either site will result in the same penalty at both sites.

CIVIL RIGHTS COMPLIANCE STATEMENT

Sheridan High School has a policy of providing equal opportunity. All Career Technical Education (CTE) courses/programs are open to all students regardless of age, race, color, sex, handicapping condition, or national origin, including limited English proficiency. Educational services, program, instruction, and facilities will not be denied to anyone at Sheridan High School as a result of his or her age, race, color, sex, handicapping condition, or national origin, including limited English proficiency. For further information, clarification, or complaint, please contact Kim DeVaney, Sheridan, Indiana 46069, (317) 758-4172.

Sheridan High School offers CTE courses on campus and off campus at J. Everett Light Career Center (JELCC) and Ivy Tech Noblesville. Course offerings vary from year to year at each location, but range from one semester courses at Sheridan High School to four college courses at Ivy Tech. All courses are academic and skills focused. Courses at JELCC and Ivy Tech Noblesville can lead to professional licenses or certifications as well as college credits.

Admission criteria vary by program, but minimally include being on track to graduate to allow room for these electives in the student's schedule. Attending J. Everett Light requires the minimum completion of Algebra I, no discipline issues, and no attendance overages in the prior school year. Opportunities for dual credit at JELCC and the dual enrollment program at Ivy Tech Noblesville may have additional requirements such as a specific diploma type and GPA combination, PSAT score, or Accuplacer score.

GRADING SCALE AND GPA

All credit-bearing classes will be included in the Grade Point Average (GPA) calculation for individual students. Resource class is the one exception. The following is the standard grading scale for all Sheridan High School classes:

GRADING SCALE

A = 93-100%	B+ = 87-89%	C+ = 77-79%	D+ = 67-69%	F = BELOW 60%
A = 90-92%	B = 83-86%	C = 73-76%	D = 63-66%	
	B- = 80-82%	C- = 70-72%	D- = 60-62%	

Each of the nine-week grades and the semester final will determine the final course or semester grade. Each nine-week grade accounts for 40% of the total grade; the final assessment/test will account for 20% of the grade; i.e. 1st Nine Week grade=40%; 2nd Nine Week Grade=40%; and Final =20%. **Students must pass two of the three benchmark grades in the semester in order to pass the class and receive credit.**

Grade Requirements for ‘High Honor Roll’ and ‘Honor Roll’:

High Honor Roll - All nine week grades must be an A or A-

Honor Roll – All nine week grades must range from an A to B-

GRADUATION REQUIREMENTS

In addition to earning the required credits for the diploma type desired, students must also meet additional State requirements in order to graduate. The structure of these requirements vary depending upon the year of graduation. The basics of these requirements are outlined below:

- Class of 2022
 - Students must pass the Grade 10 Math & English ISTEP+ exam or meet all criteria of a Graduation Pathway.
- Class of 2023 & beyond
 - Students must meet all of the criteria of a Graduation Pathway

Please note: Indiana students are also required to participate in the ISTEP Science assessment, but the Science assessment is not part of any graduation exam requirement.

GRADUATION PATHWAYS

Graduation Pathways outline a path toward graduation which is focused on post-secondary preparedness. Students must complete requirements in each of three key areas (often referred to as buckets or boxes):

- Requirement 1: Meet Indiana Diploma Requirements
- Requirement 2: Learn and Demonstrate Employability Skills
- Requirement 3: Meet Post-Secondary Readiness Competencies

The details of each of these areas are highly varied yet very specific. Information regarding Graduation Pathways will be shared with both students and Parent / Guardian. For more information you can visit the Graduation Pathways website at <https://www.doe.in.gov/graduation-pathways>

OPT-OUT PROCESS FOR INDIANA’S GRADUATION REQUIREMENTS

The completion of Core 40 is an Indiana graduation requirement. Indiana’s Core 40 curriculum provides the academic foundation all students need to succeed in college and the workforce.

To graduate with less than Core 40, the following formal opt-out process must be completed:

- The student, the student’s Parent / Guardian/guardian, and the student’s counselor (or another staff member who assists students in course selection) meet to discuss the student’s progress.
- The student’s career and course plan is reviewed.
- The student’s Parent / Guardian/guardian determines whether the student will achieve greater educational benefits by completing the general curriculum or the Core 40 curriculum.
- If the decision is made to opt-out of Core 40, the student is required to complete the course and credit requirements for a general diploma and the career/academic sequence the student will pursue is determined.

Core 40 Triggers

The following conditions may trigger a discussion about opting-out of Core 40:

- A Parent / Guardian may request that a student be exempted from the Core 40 curriculum and be required to complete the general diploma to graduate **(or)**
- The student does not pass at least three (3) courses required under the Core 40 curriculum **(or)**
- The student receives a score on the graduation examination that is in the twenty-fifth percentile or lower when the student takes the graduation examination for the first time.

ATHLETICS

Our philosophy of athletics is such that athletics is considered an integral part of the school's program of education. Participation in athletics as a student or spectator is a privilege that carries with it responsibilities to the team, to the student body, to the community, and to the individual. All athletes must meet the requirements of the IHSAA, one of which is to carry and pass (5) five subjects each grading period. Sheridan competes in the Hoosier Heartland Conference.

The **Blackhawk code of conduct will be followed** by the athletes, coaches and administration. Any violations of the Blackhawk Athletic Handbook code of conduct, in or out of season, may result in suspension or expulsion from practice or competition. Before students participate, a physical and Parent / Guardian consent form must be filed with the athletic director. All students participating in athletics **must carry insurance** either through the school or a Parent / Guardian/family policy that covers the student. Payment of injuries not covered by insurance shall be the responsibility of the Parent / Guardian/guardian. All student athletes are required to pay a \$75.00 annual fee.

The **Athletic Handbook** can be found on-line by visiting www.scs.k12.in.us or obtaining a copy from the Athletic Office.

The information on the following pages was approved by the Superintendent and the School Board and provides guidelines as written in Sheridan Community Schools Board Policy. The School Board, by adopting this code of student conduct, is indicating to students, Parent / Guardian, staff and the community our desire to provide a positive atmosphere for learning. It is our intent to ensure that students' rights are respected and preserved during the pursuit of their education and to encourage self-discipline in this endeavor. When it is necessary for staff to take corrective action, it is to be done justly and fairly. This written document outlines the framework that will be used in the Sheridan Community Schools. It is governed by the Board of Education and the laws of the State of Indiana and the United States. It also outlines acceptable and unacceptable behavior allowing the students to adjust to the school environment in an acceptable way. The Board of Education expects the atmosphere in school to be positive for all students and supports all fair disciplinary action necessary to provide this positive atmosphere. The Board also encourages the public to read this document and to be aware of the rights and responsibilities of Sheridan Community School students.

SHERIDAN COMMUNITY SCHOOLS PHILOSOPHY OF DISCIPLINE

In applying the school district's Code of Discipline, the following philosophy of discipline must be considered and implemented simultaneously.

Discipline is: the process of establishing and maintaining a productive learning environment. Its goal is to provide an educational atmosphere free of disruption so that teachers can teach and students can learn.

AS A SCHOOL DISTRICT, WE BELIEVE:

- Effective discipline is a key attribute of effective learning. It is founded upon respect for and the dignity of each individual.
- Effective discipline and learning begins with the family.
- A sound system of discipline is a responsibility of the classroom teacher and takes a preventive approach.
- Effective discipline is crucial to a safe and productive learning environment.
- Students are ultimately responsible for their own behavior; therefore, discipline should be a growth-oriented experience, taking into account the developmental needs of the student.
- Sound discipline includes a support system that promotes a positive student attitude and self-image.
- Discipline standards should be fairly and consistently enforced throughout the school system.
- Exposure to a sound discipline management system moves students toward appropriate, independent decision-making resulting in self-discipline.

INCIDENT REPORTS

The best discipline at our school is your self-discipline. Since the school needs an orderly atmosphere for teaching and learning to take place, there must be rules for student conduct. These rules apply **coming to school, during school, and after school.** **They also apply to all school and extra-curricular activities.** A student due process code enacted by the General Assembly of Indiana outlines the procedures to be followed when a student is disciplined by intervention, detention, suspension, and expulsion

Teachers may issue verbal warning or reprimands, recommend detention time after school, intervention, suspend a student from his/her class or activities not to exceed (1) day or request removal from class by completing a **Disciplinary Referral** provided by the administration.

STUDENT SEARCHES

School and student safety is paramount. We have an obligation to protect students from dangerous substances such as drugs or weapons at the school. To accomplish this, the courts have allowed us to take steps necessary to ensure that education is carried out in the schools, including drafting and enforcing reasonable rules. A school official can search a student, his/her locker, or other property including his/her car or the car he/she is driving, if the official has “reasonable suspicion” to believe that the student is violating or is about to violate a school disciplinary rule.

With the cooperation of local law enforcement officials, Drug Canine Units will periodically conduct locker and vehicle sweeps in the hallways and parking lot at Sheridan High School. ***Upon notification that a canine investigation will be conducted, students who have book bags, purses, personal bags (athletic, computer, technology, etc.) in the classroom will be requested to transfer these bags to a designated area in the hallway. Students will then return to the classroom until the canine investigation is completed.***

DISCIPLINARY GUIDELINES

Schools, just as in all of society, need rules and regulations to protect the rights of all students. Students have a right to know what is expected of them. School rules are written to describe limits of student behavior. To enforce reasonable rules in a consistent manner is to improve the educational climate for all students in their ability to learn.

The severity of discipline increases as the student repeats the same infraction. However, when the severity of the violation (even though the first) warrants, the penalty will be much more severe. **The disciplinary actions outlined in this section are only a guide and should not be construed to be absolute.**

The following rules have been formulated to ensure an orderly administration of the educational process. Students who violate these adopted rules will be disciplined accordingly. When extenuating circumstances prevail, the administration will handle the situation appropriately. Serious misconduct will be dealt with by the administration at their discretion and under the disciplinary authority given them by the state and school board regulations. In addition to the school’s actions, serious violations will also be referred to the proper law enforcement agency for their action.

These rules apply when a student is

- (1) on school grounds immediately before, during, and immediately after school hours and at any other time when the school is being used by a school group;
- (2) off school grounds at a school activity, function, or event; or
- (3) traveling to or from school or a school activity, function, or event.

CHEMICAL AND DRUG ABUSE POLICY

At Sheridan Community Schools it is our belief is that it is imperative to work with students, Parent / Guardian, support staff, and community agencies to educate and/or rehabilitate first time drug/alcohol offenders. Although this philosophy is based upon "zero tolerance," it is believed that young people benefit from both consequences, as well as help, in learning to change negative behaviors. In addition, drug testing is being implemented as a vehicle for identifying students who are involved in substance abuse and assisting their families in confronting these issues.

DRUG TESTING PROGRAM FOR STUDENTS

Certain behaviors often help identify adolescents who are using drugs on a regular basis. Examples of these behaviors are, but not limited to, truancy, tardiness, verbal and physical abuse towards staff or classmates, vandalism, and tobacco use. Therefore, when students commit any disciplinary infraction which could be indicative of alcohol or drug use/abuse and which results in suspension from school for three (3) days or more, the student will be offered a drug test administered under school supervision as soon as possible following the incident. The purpose of testing students is to provide Parent / Guardian with information that will enable them to seek professional help for their children.

The results of the drug test will be provided to the school counselor or designated administrator who will always share the results with the Parent / Guardian. If the results are positive, the school counselor/administrator will proceed as follows:

1. First Test - The results of the test will only be provided to the Parent / Guardian(s) or guardian(s). The counselor/administrator will work with the Parent / Guardian to provide evaluation and/or treatment as necessary.
2. Second Positive and Subsequent Positive Tests - The Parent / Guardian will be required to pay for the drug test and the results of the test will be provided to both the Parent / Guardian and the principal (or designee). The counselor/administrator will work with the Parent / Guardian to provide evaluation and/or treatment as indicated.

ALCOHOL, TOBACCO, AND DRUG RELATED OFFENSES

The grounds for expulsion or suspension apply when a student is knowingly possessing, using, transmitting, or being under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant of any kind.

The definition of drugs, alcohol, and intoxicants at Sheridan Community Schools includes but may not be limited to: any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant of any kind, abuse of prescription and/or over the counter medication, caffeine based substances other than beverages, abuse of depressant medications of any kind, substances containing phenylpropanolamine (PPA), hash oil, salvia, synthetic cannabinoid, inhalants, any other substance listed as a controlled substance in IC 35-48-2 and Schedule I-III medications, look-a-like drugs or any substance represented to be one of the previously listed substances, and any paraphernalia used in connection with the listed substances. Tobacco includes, but is not limited to cigarettes, cigars, snuff, smoking tobacco, smokeless tobacco, nicotine, nicotine-delivering devices, chemicals or vaping devices that produce the same flavor or physical effect of nicotine substances; and any other tobacco or nicotine innovations.

DISCIPLINARY INFRACTIONS/SUSPENSIONS

In addition, the school may require a student to submit to a test for drugs and alcohol if a student exhibits behavior(s) which lead school authorities to suspect the student has consumed or ingested alcohol or a controlled substance. Further, the school may subject items in such student's possession to test to determine if those items contain drugs or alcohol. Any student found to have consumed or ingested or be in possession of alcohol or other drugs while attending school or a school function will be dealt with according to the student discipline policy.

Refusal to submit to a drug/alcohol test will be considered an admission of having consumed or ingested alcohol or other drugs. This is a violation of school rules and will be dealt with according to the student discipline policy.

- I. Any student with a chemical abuse problem who voluntarily asks for help from the school and prior to any disciplinary investigations will not be punished or disciplined with regard to regular curricular activities.
- II. In an effort to safeguard other students, any student who buys, sells, transfers, accepts, willingly shares, or provides any substance as follows will be subject to full expulsion procedures without the option of choosing an alternative: any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant of any kind, abuse of prescription and/or over the counter medication, caffeine based substances other than beverages, abuse of depressant medications of any kind, substances containing phenylpropanolamine (PPA), hash oil, salvia, synthetic cannabinoid, inhalants,

any other substance listed as a controlled substance in IC 35-48-2 and Schedule I-III medications, look-a-like drugs or any substance represented to be one of the previously listed substances, and any paraphernalia used in connection with the listed substances.

Section II

A person who believes s/he has a valid basis for a complaint may discuss the matter informally and on an oral basis with the Corporation's Civil Rights Coordinator, who will investigate the complaint and reply with an answer to the complainant. If the informal procedures do not resolve the matter to the complainant's satisfaction or s/he skips the informal process, s/he may initiate formal procedures according to the following steps:

Step 1

Investigation by the Corporation Civil Rights Coordinator: A person may initiate a formal investigation by filing a written complaint with the Corporation Civil Rights Coordinator. The complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, and describe the alleged discriminatory action in sufficient detail to inform the Civil Rights Coordinator of

the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) calendar days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the Civil Rights Coordinator for good cause. The Civil Rights Coordinator will conduct an impartial investigation of the complaint. As part of the investigation, the Civil Rights Coordinator shall permit the complainant to present witnesses and other evidence in support of his/her complaint. The investigation shall be completed within ten (10) business days of the written complaint being filed. The Civil Rights Coordinator will notify the complainant in writing of his/her decision and will maintain the Corporation's files and records relating to the complaint.

Step 2

If the complainant is not satisfied with the Civil Rights Coordinator's Step 1 decision, s/he may submit, in writing, a signed statement of appeal to the School Board within five (5) business days of his/her receipt of the Superintendent's response. In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting.

The complainant may be represented at his/her own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case in the appropriate Federal District Court. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

The Civil Rights Coordinator will provide a copy of the Corporation's complaint procedure to any person who files a complaint and will investigate all complaints in accordance with this procedure.

A copy of each of the Acts and the regulations on which this notice is based, may be found in the Civil Rights Coordinator's office.

Prohibition Against Retaliation

The Board will not discriminate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal civil rights law, or because that individual made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under those laws or because that individual exercised, enjoyed, aided, or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.
