

School Information:

MAY 23RD SENIOR'S LAST DAY, GOOD LUCK
MAY 25TH STUDENTS LAST DAY OF SCHOOL

Nutrition Tip: Offering a variety of foods helps children get the nutrients they need from every food group. They will also be more likely to try new foods and to like more foods. When children develop a taste for many types of foods, it's easier to plan family meals. Cook together, eat together, talk together and make mealtime a family time!
